ABOUT THE UNIVERSITY OF THE WEST INDIES

THE UWI ST. AUGUSTINE CAMPUS is situated 15km from the bustling capital of one of the Caribbean's most rapidly developing island states, Trinidad and Tobago. With its focus on research and innovation, fully accredited programmes across seven faculties, and a cosmopolitan campus community, St. Augustine is a true representation of an innovative, internationally competitive, contemporary university deeply rooted in the Caribbean.

The scenic St. Augustine campus boasts a unique mix of twentieth century and modern architecture as well as an impressive landscape of indigenous and introduced trees and shrubs. Modern teaching and learning centres, a wide range of extra-curricular activities and a deep commitment to our role in preserving Caribbean integration and culture make St. Augustine an ideal choice for higher education.

ABOUT THE INTERNATIONAL OFFICE

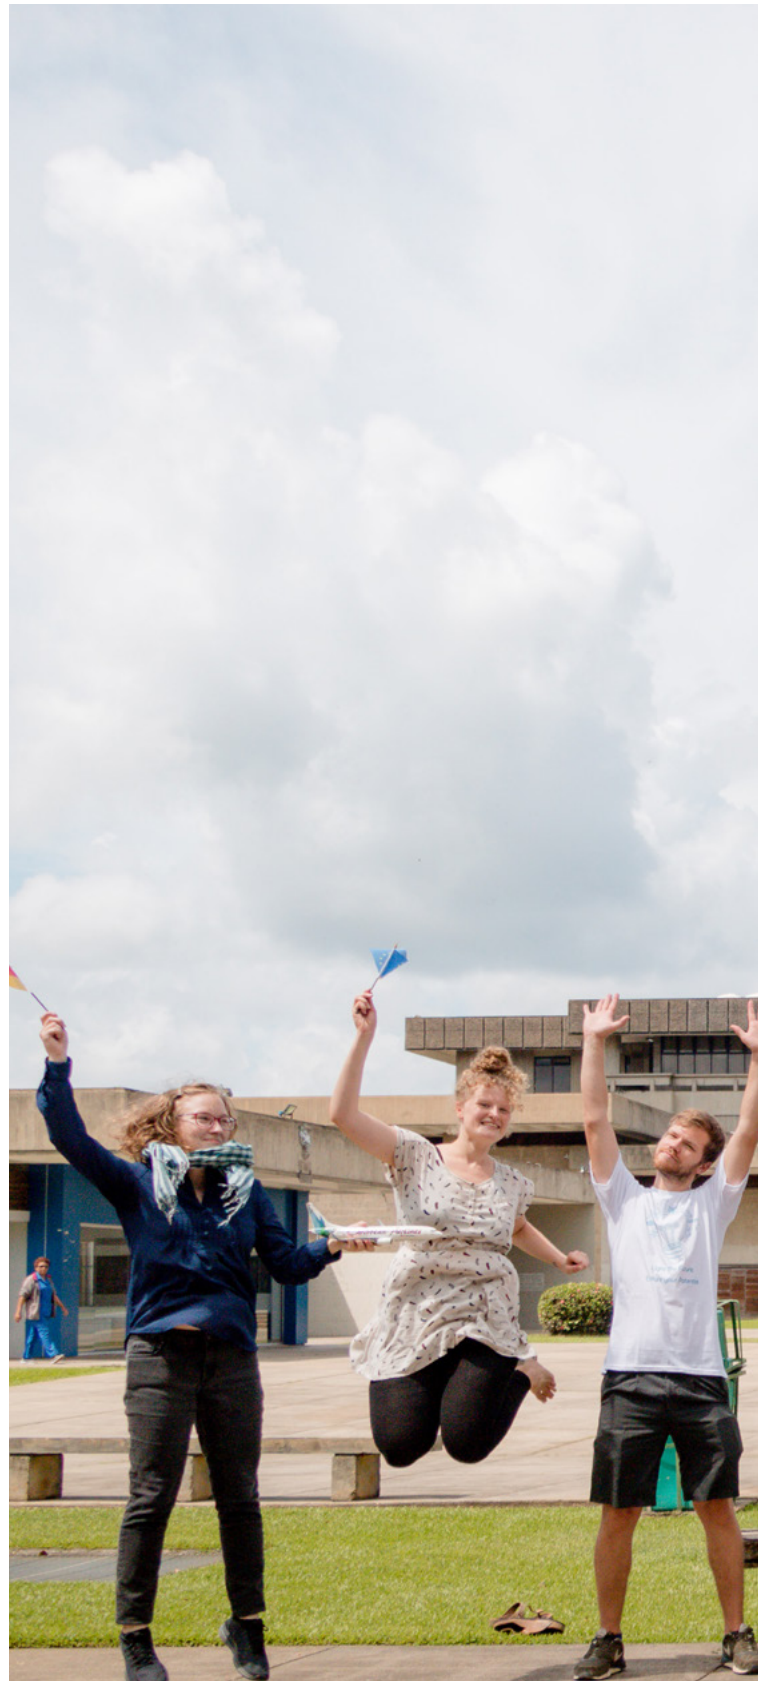

OUR PHILOSOPHY

Our value lies in leadership development for regional and global impact through the creation of mobility opportunities and international collaboration.

The International Office manages the international partnerships of the university; it is the focal point for our internationalisation efforts and serves as the major portal between the campus and the rest of the world. We facilitate student and staff mobility (incoming and outgoing) and promote global citizenship within the UWI community.

See the team at :

<https://sta.uwi.edu/internationaloffice/about>

What is a student exchange programme?

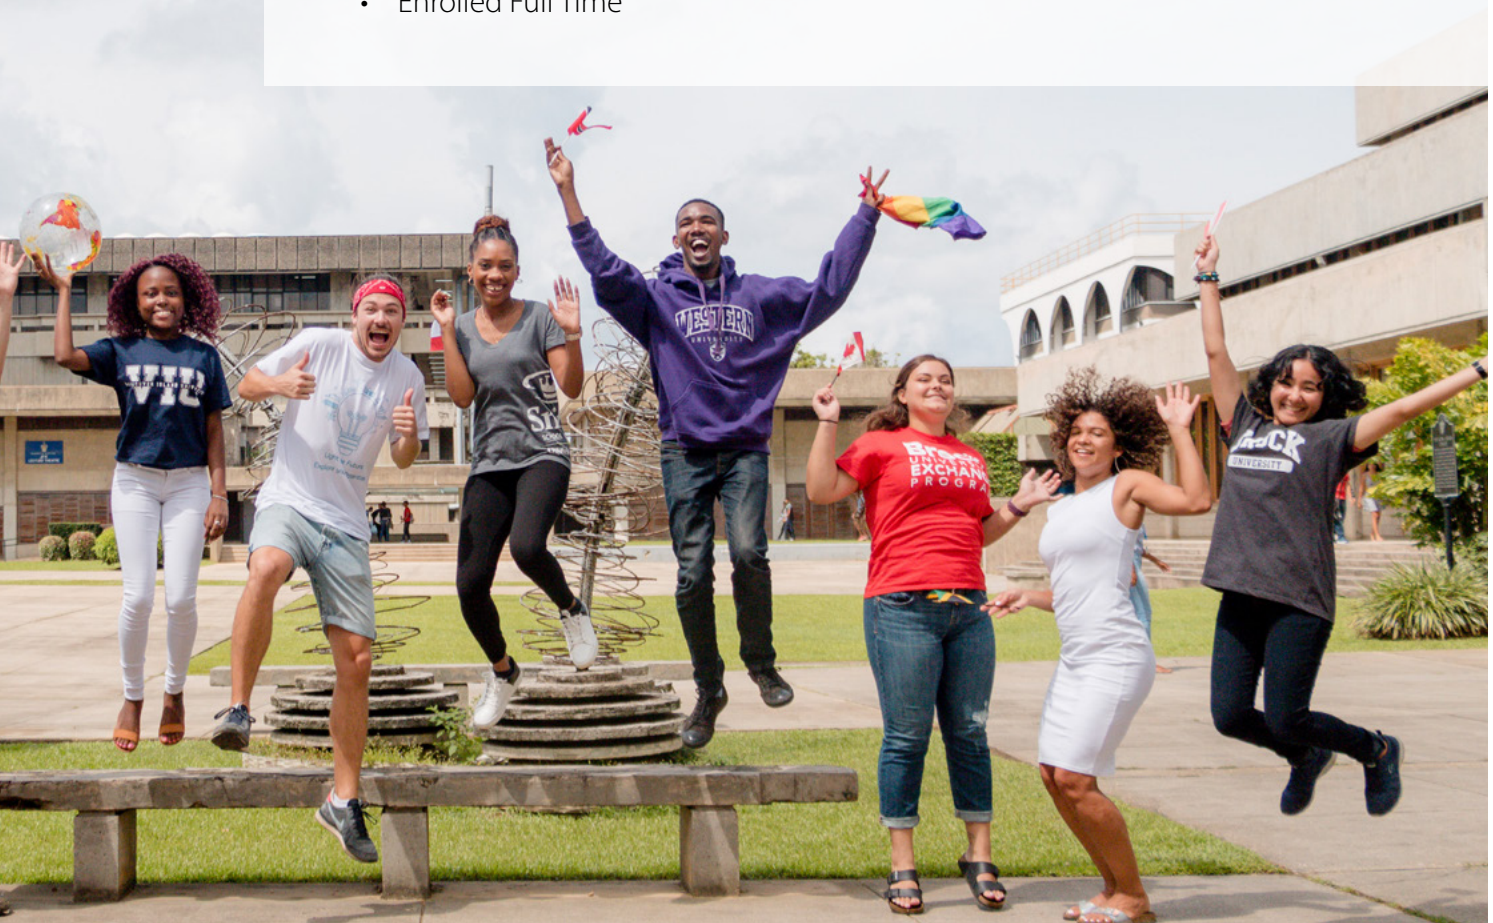

An exchange programme involves an agreement between two universities to exchange students. The advantage is that students do not have to pay tuition fees at the foreign university since they already pay tuition fees to UWI. Where we have no agreement with the foreign university, it is called "Study Abroad" and students must pay tuition. <https://sta.uwi.edu/internationaloffice/courses>

Who are our partners?

Currently there are 70+ existing agreements from which students can choose.

What are the requirements?

- GPA of 2.5 for incoming students. For outgoing students it should be 3.0.
- First year students who have completed one (1) semester. Also, Year 3 students can apply for semester 1 only.
- Enrolled Full Time
