Consent (according to the University of Applied Science Dresden HTWD privacy statement)

Yes, I consent to my personal data such as name, address and e-mail address being stored and used for the purpose stated in the form. The data will not be passed on to third parties. I am aware that this consent is voluntary and revocable at any time. A revocation of the consent does not eliminate the legality of the processing, however, retroactively, but only for the future. The revocation must be sent by e-mail to: **mariss@htw-dresden.de**.

Date

Signature

Necessary documents:

- o CV as pdf
- o Copy of the first page of your passport (for the invitation letter)

Special catering request: None Vegetarian Vegan Other (please specify)

Please note:

Applications after the deadline will only be considered if there are still places available. Admission criteria are mainly based on academic achievements and motivation for participating in the program. Participants in the Summer School will not be enrolled as students of the University of Applied Sciences.

Liability insurance: The participants must provide for their own health, accident and liability insurance as well as for personal and property damage.

Cancellation Policy: If you need to withdraw from the Summer School, please inform us via email as soon as possible (due to the limited numbers of spots). If the HTWD has to cancel a course or an excursion for any reason beyond its control, it will not be held liable.

The HTWD/MARISS does not cover any costs of the participants, such as travel bookings, visa fees etc.

Disclaimer

HTW Dresden, the organizers and the teaching staff of the MAR International Summer School shall not be held accountable for any damage to personal property or any injuries suffered by participants during the program, as well as for any damage caused by participants to other persons or property.

The participant agrees to the storage and use of personal data for internal organization of the application. Personal data storage protection is governed by Federal German Data Protection Act. Within the organization of the technical excursions participant's personal data will be forwarded to the Waterworks Companies, which require a registration for a visit. The participant can demand the deletion of her/his personal data for the future at any time and without giving reasons.
