09. October 2023

At the University of Applied Sciences Dresden (HTWD), the second largest university in the state capital of Saxony, application-oriented teaching and practice-oriented research are closely intertwined.

"Achieve more practically" characterises the studies at the Faculty of Business and Economics for approximately 1200 students in the fields of Business Administration, International Business, Management of Medium-Sized Enterprises and Industrial Engineering.

The Faculty of Business Administration is seeking to fill the following position starting in the Winter semester 2025/26

Professorship (W2) Business Administration / International Strategic Management (m/f/d) – Chiffre DD WF 27

The field of appointment comprises the following teaching areas:
- International, Alliance, Corporate, Competitive and Functional Strategy
- Resource Based Strategy
- Strategic Decision Making
- Corporate Sustainability
- Business Administration

Your tasks and responsibilities:
In addition to fulfilling teaching obligations and supervising student research projects, internships and theses; your responsibilities include application-oriented research, knowledge transfer, and participation in the university's academic administration.

In-depth knowledge in business and management, proven by a scientific degree, a doctorate, specialist knowledge and relevant professional and comprehensive international experience in the field of appointment as well as pedagogical skills for imparting knowledge and the willingness and ability to offer courses entirely in English are necessary. The willingness to acquire third-party research funding is also expected.

Work experience is to be reported in a separate overview, indicating scope and duration. Good knowledge of the German language (at least level B1) is required. In addition, the willingness to acquire more in-depth language skills in German within two years is required.

For further information please contact:
Prof. Dr. Christoph Mayer
Dean of the Faculty of Business Administration
